## CONVERSATION POINTS FOR A MAGICAL HOOK-UP

**STIs** (Sexually Transmitted Infections). Current / past status? Last time we were tested? Last Partner?

**Pregnancy:** Accidents happen, so what do we do?

**Relationship Status:** Are either of us seeing anyone?

If so, what are our agreements and boundaries?

**Intentions & Emotions:** How do we feel about each other? What do we expect from this interaction?

**The Bigger Picture:** Is us hooking up going to be more trouble than it's worth? Are you my best friend's ex, my ex's best friend? Housemate? Co-worker? Maybe we should just be friends ...

**BE RADICALLY HONEST • EVEN IF IT MEANS YOU WON'T GET LAID**
